- Notes: The 1900 Federal Census lists Frances **Anderson** as the mother of a living child. The only child that fits this criteria is Jaine **Anderson**, listed in the same household as a "niece." William Madison **Anderson** had no brothers to provide a niece with the **Anderson** surname.
"Jayniesgdaughter", author and owner of the Anderson Family Tree posted on Ancestry.com concurs. In her records she and her mother Frances is found in a poor house in 1905 (Maries County Poor House?) Janie is "adopted" and her name changed to Jessie Jane Hafner. She married and lived her life under that name. The married surname of William Madison Anderson's second wife.
