Note: The contention that the Caroline **Leweke** whom Frank **Schwegler** married was married to August **Blinne** appears to be incorrect. Even though it was published in an "official" Gasconade County history, it fails to take into account the following fact. On December 1, 1870, when August **Blinne** married Karoline **Leweke**, our Caroline **Leweke** was only ten years of age. This is verified by the fact that in the 1860 Federal Census of Boeuf Township, Gasconade County, Missouri where she is listed as 7 months old in the household of her parents and grandparents.
